

## Various Trainings

### *Updates on R.A. No. 9184, attended by all the Members of the JHMC Board of Directors*

The training is aimed to:

1. Enable not only the Bids and Awards Committee (BAC) Members, BAC-Technical Working Group (TWG), BAC Secretariat, the Head of Procuring Entity (HOPE) which in our case are the Members of the BOD but also all End-users/ Implementing Unit to know how to determine Project Costing and Determination of the Approved Budget of the Contract and Specifications Writing for Goods, Infrastructure Projects and Consulting Services;
2. Ensure compliance with laws, rules and regulations on procurement; and,
3. Ensure effective, efficient, economical and ethical operations in their respective areas of responsibility.
