EXECUTIVE SUMMARY

A multi-awarded corporate leader, academic, and public service advocate, Dr. Jose Emmanuel P. Guillermo brings over four decades of comprehensive experience in **Finance, Corporate Governance, Strategic Enterprise Development, and Entrepreneurial Leadership**. A **Certified Public Accountant**, he has steered diverse business ventures across industries while maintaining deep involvement in civic organizations and nation-building initiatives.

Dr. Guillermo possesses a rare combination of private sector excellence and a passion for sustainable economic development—anchored in transparency, innovation, and inclusive growth. His track record, both in the Philippines and globally, makes him a strong candidate for **high-level public office** focused on economic reform, enterprise development, trade, finance, or infrastructure.
